

IF YOU COULD KEEP ONLY ONE MEMORY,
WHAT WOULD IT BE?

A really good and
strong memory was
d i v i n g with my
girlfriend. Being underwater
in this abstract world, where
i t only was the two of us and a
rich underwater life that
e x i s t e d .
A t l e a s t for that
m o m e n t . It was surrealistic
and a strong experience, that I will
keep forever, a n d try to
achieve again
